Porch Furniture.—4th Fl.

Every cottager appreciates his porch. It is not a mere adornment or attachment of the house—but as much a part of it as chamber or parlor—during the warm months—the most restful and comfortable part of it. That is why manufacturers devote so much thought to its furnishings. Many of their brightest and cleverest ideas are applied to designing things that add beauty and picturesqueness to the general lounging place of the family. If you wish to select from the best and biggest stock of Porch Furniture—visit our fourth floor. Hundreds of beautiful styles and all of them are practical—serviceable—attractively priced.

Splint and Reed Furniture in forty patterns, including:

Arm Chairs, \$1.49 to \$2.06.
Arm Rockers, \$1.49 to \$2.59.
Settees, \$3.89 to \$4.24.
Sewing Rockers, 69c. to \$1.69.

Seats and backs are of double thickness; hand woven reed or splint, heavy maple frames, finished in natural, red or green.

Silver Birch Furniture.

Nature gave the bark of silver birch the fair, shimmering finish that is daintiest and strongest for Summer Furniture. It is ideally rustic for country homes.

Our display needs to be seen by all who are interested in securing the largest quantity of beauty and value for the smallest expenditure of money.

The collection includes:

Rockers, \$1.24 to \$4.96.
Arm Chairs, \$2.79 to \$4.49.
Couches, \$7.74 to \$9.49.
Tables, \$4.67 and \$4.96.

And there are Beds—for the house or tent. Pretty and practical—the warm mists of sea or mountain cannot warp or rust them. Say the word, and the smooth stretch of lawn will be broken by one of these Silver Birch Summer Houses; romantic—reasonable—\$49.99.

Swinging Davenport.

Neither porch nor lawn is quite complete without a Swinging Davenport. Their cost is a trifle when the personal comfort they contribute to man and woman is taken into account.

Davenport, from \$10.96 to \$30.99—made of natural, weathered, green or red-finished rattan, oak or rustic silver birch—sold with or without cushions.

We were very particular in not taking any but the large, roomy sizes that permit the most luxurious relaxation—the freest and fullest outspreading and stretching of tired legs and arms.

Mission Furniture. We are showing a great assortment of "Mission" Furniture from the leading American factories—weathered oak three and five-piece library and den suites, upholstered in tapestry, imitation and real leather—also novelties for the informal reception room, bedroom dining-room, hall and porch, Davenport, rockers, side chairs, tables, bookcases, tabourets, stools and clocks.
